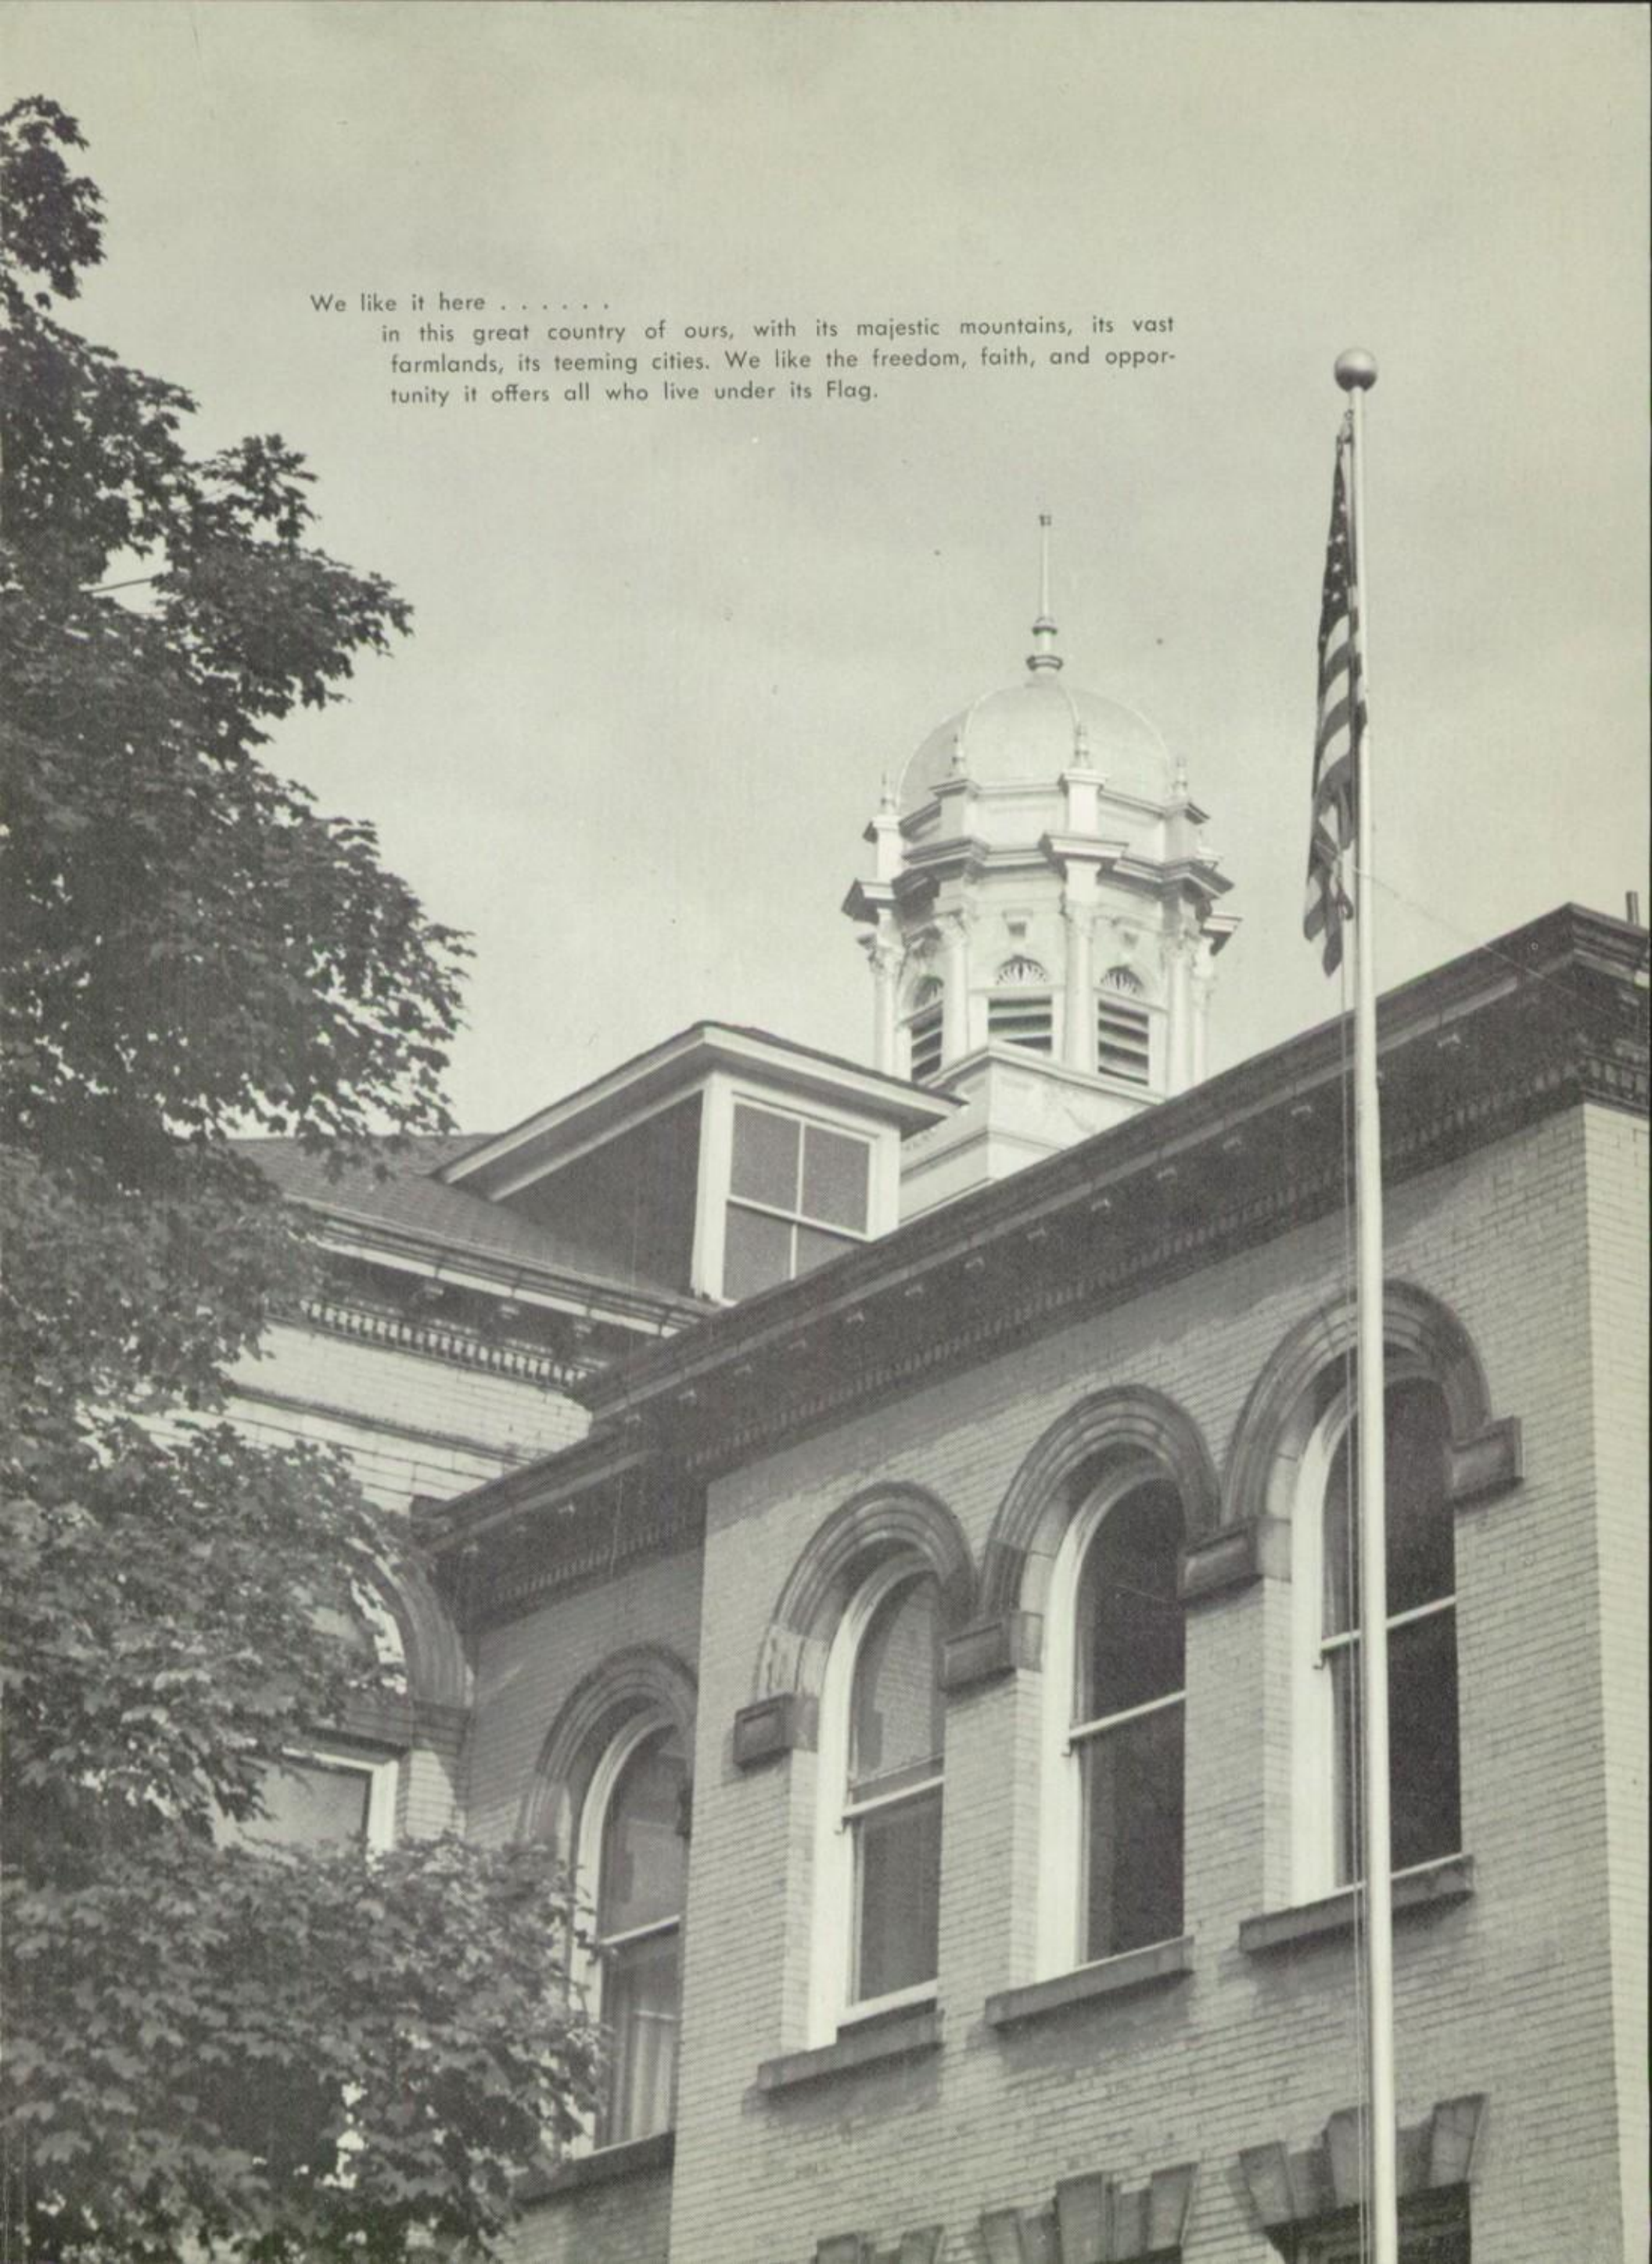
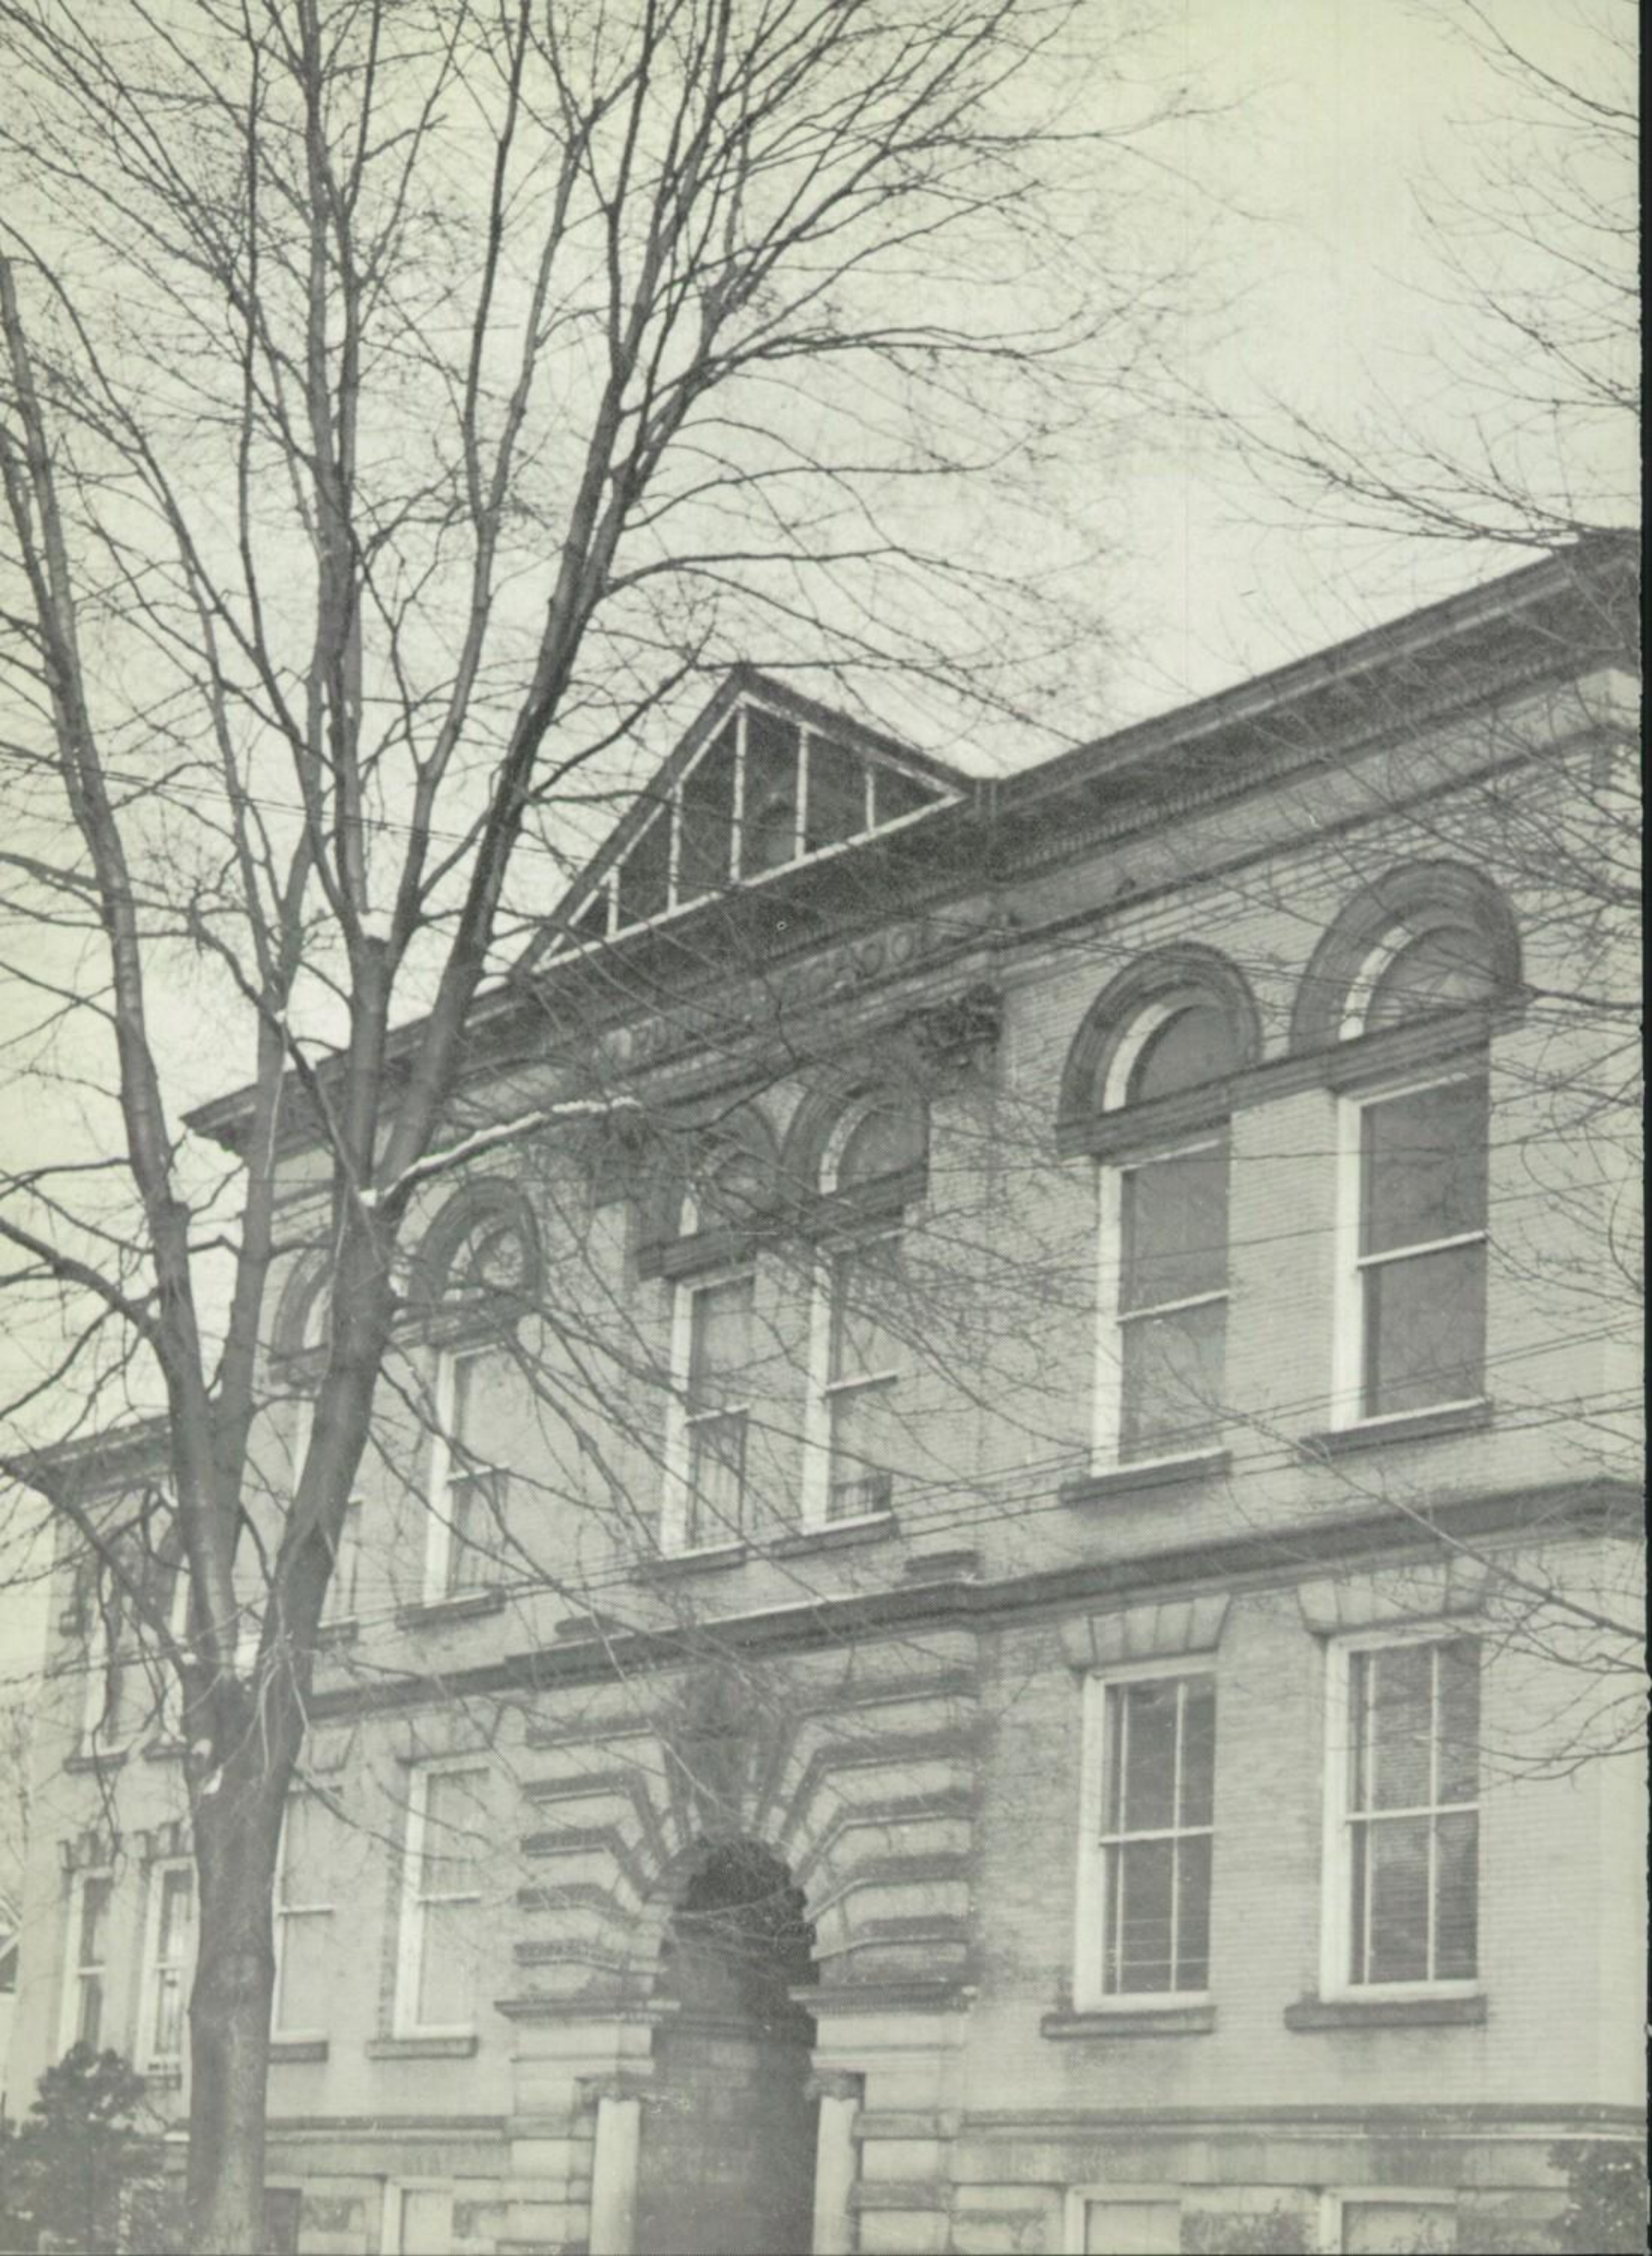
FRANKLINITE

1957

We like it here . . . . . .

in this great country of ours, with its majestic mountains, its vast farmlands, its teeming cities. We like the freedom, faith, and opportunity it offers all who live under its Flag.





We are faithful to you Franklin,
Never will we let you down.
Glorious praises we are singing,
Ever beautiful to thee!
Memories will always linger,
Of our days at Franklin High.
Though the paths of life we follow,
Our love for you will never die!

Sing your praises to dear Franklin,
Raise your voices to the sky.
Alma Mater we adore you,
Our loyalty is mighty high!
Memories will always linger,
Of our days at Franklin High.
Though the paths of life we follow,
Our love for you will never die!

With the realization

Franklin High School has, for many years, desired a foreign exchange student. Last year the Student Council sponsored a candy sale in hopes of obtaining enough money to sponsor a student. Fortunately, our candy sale was very successful.

On August 26, 1956, the dream of F.H.S. students came true. Our French student, Miss Francoise Dehermann-Roy, arrived in Franklin to make her home with Mr. and Mrs. Charles N. Hough. Francoise, taking a regular senior schedule, showed great ability in her work. Besides making many speeches in the home rooms and at our Franklin service clubs, she was an honorary member of the Student Council and taught French classes after school.

THE PSYCHOLOGY OF HUMAN DIFFERENCES
LEONA E. TYLER
Scotch

The jet pilot must have some experience when he breaks through the sonic barrier. Everyone sometime must pass through a critical period as he moves from one environment to another; from a lower position to a higher one, or as he takes on new responsibilities.

Graduation from high school means that you have acquired a foundation of knowledge and certain skills and abilities. Now you must make the choice as to your approach to life. Will you be a giver or a taker? Will you learn to serve yourself? Your answers are important to your own future happiness and to the strength and progress of the world about you.

It is my personal wish that each graduate of the class of 1957 will receive his or her own personal happiness through helping to build a better community, a better nation, and a better world.

John R. Haubert
Superintendent

To the Class of 1957:

Graduation — let not this event finish your training toward your goals in Life. I hope your training here will be reflected in your life as useful and upright citizens.

May you retain as personal treasures pleasant memories of your school days here. I wish you God speed and hope you will accomplish worthwhile things in the years that lie ahead.

Dedication

It is to you, Mr. McElhattan, that we, the class of '57, dedicate our yearbook. In working with us on dance committees and our numerous class activities, you have devoted much of your time. The patience, cooperation, and enthusiasm you have given us will long be remembered, so it is with affection and gratitude that we say, "Thank you".

Junior Play

Under the direction of Clinton Perrine, the class of '57 chose as their Junior Play *The Robe*, a dramatic story of the cloak of Jesus Christ and how it affected the lives of many. John Henry, Martha Richardson, and Ron Pindel portrayed the roles of Marcellus, Dianne, and Demetrious with much feeling and skill. The Junior Class was proud of their play, for *The Robe* was one of the most outstanding productions ever presented on Franklin High's stage.

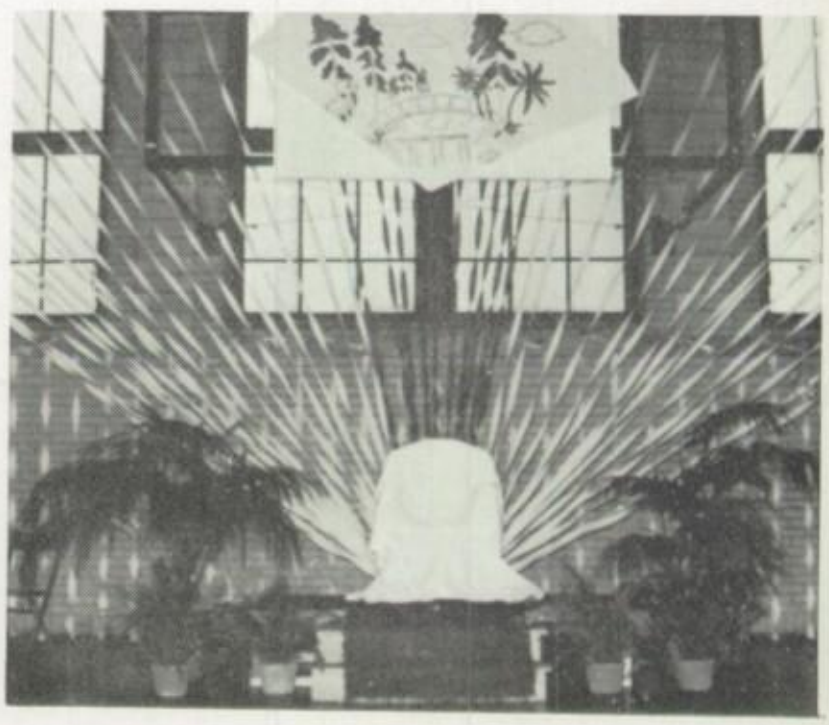
Senior Play

The class of '57 could really be proud of their play, "Dino". Because it centered around teenagers and their problems, the cast was able to perform with insight and understanding. John Christy, in the title role, certainly rated praise along with Karen Beggs, who played his friend, Shirley. The production was directed by Clinton Perrine, and the prompters were Sally Brown and Judy Pearce.



Junior - Senior Prom

May 25 — The Junior Prom! More than three hundred guests were present to see Franklin High's gymnasium changed to an Oriental Garden with colorful streamers, flowers, lanterns, and fans contributing to the atmosphere. The high point of the evening was the crowning of the queen, Bonita Young, by Jerry Nestos, after which the happy but tired dancers went to the Franklin Club for an after-prom party.

Class History

In 1949, the various elementary schools in Franklin transferred the task of educating a group of youngsters to the secondary school in this town — Franklin High School. That was the initial meeting of a group of people sharing common acquaintances and interests who were to complete their secondary education together. Thus, our class came into being.

As customary our first three years were spent in acquainting ourselves with the students, teachers and system of this new school. Then, looking ahead toward the events and activities in which we would participate as seniors, we began to organize in our sophomore year. The following officers were elected to officially take charge of class affairs: President, Jerry Nestos; Vice President, Joyce Andre; Secretary, Mary Dow; and Treasurer, Larry Beightol. When Mr. McElhatten was selected to be our class advisor, we then were ready to undertake various sophomore activities.

The first project in which we engaged that year was the selling of pencils on which were printed wrestling and basketball schedules. The tastiness of the homemade candy which we sold at the Junior and Senior Plays and the Broadcast was evidenced by the successful sales which prevailed. When we planned our first social affair, the Sophomore dance, our theme, "Dreamer's Holiday", was pronounced delightful and the occasion was declared a success.

When the passage of months advanced us into our junior year, our elected officers were: President, Jerry Nestos; Vice-President, Maria Callan; Secretary, Mary Dow; Treasurer, Larry Beightol. Soon we were busily occupied with selling hot dogs, candy, and pop at the football as well as basketball games. Our Christmas Dance, "Rhythm on Ice," was brought off successfully, and we afterwards commenced the selling of monogrammed stationery.

Soon we engaged in preparing and presenting our Junior Play, "The Robe," under the direction of Mr. Perrine. This was an unusual story for a high school group to enact, and it was agreed by the viewers that we executed it most admirably.

Then it was time to begin preparations for the most vast undertaking of our school year — the Junior-Senior Prom. "Oriental Gardens" was selected as the theme, and after weeks of preparation, the much awaited night arrived. The prom was declared both exquisitely planned and carried out, and on this pleasant note our junior year came to a close.

In the fall of 1956 our class vicariously became noted when Francoise Dehermann-Roy, a French exchange student, arrived to become a member of our senior class for a school year. With the return of students full of enthusiasm for the new year, the initial undertaking of the seniors was to present the annual Homecoming Dance, over which Joyce Andre reigned as Queen.

The senior administration underwent a change and these students — Joyce Andre, Sue Heasley, Maxiene McKinley, and Larry Beightol — were elected respectively President, Vice-President, Secretary, and Treasurer. The first successful event under the new administration was the presentation of the senior play, "Dino," once again under the direction of Mr. Perrine. Following this event we undertook the selling of Christmas Cards, the last project in which our class as a whole participated.

In the spring of 1957, the Junior Class gave a prom in our honor, we had our senior picnic, and delighted the senior high school with our novel activities and skits on senior day. Our commencement exercises are over, and although we had been looking forward to the day when we would leave Franklin High, it suddenly seems as though we are being catapaulted into a vast and mystifying world. But we are not irreplaceable, and already others are eagerly waiting to take our places. Farewell Franklin High School. Proudly and gratefully we salute you!

Theresa Nicklin

MUSICAL BROADCAST

One of the most anticipated events in the school year is the Musical Broadcast in March. Faculty judges select student performers in try-outs, and those chosen set to work with Mr. Pixley and the Swing Band practicing for opening night. The production always attracts a large crowd which is a fitting reward for those who work hard to make it a success.

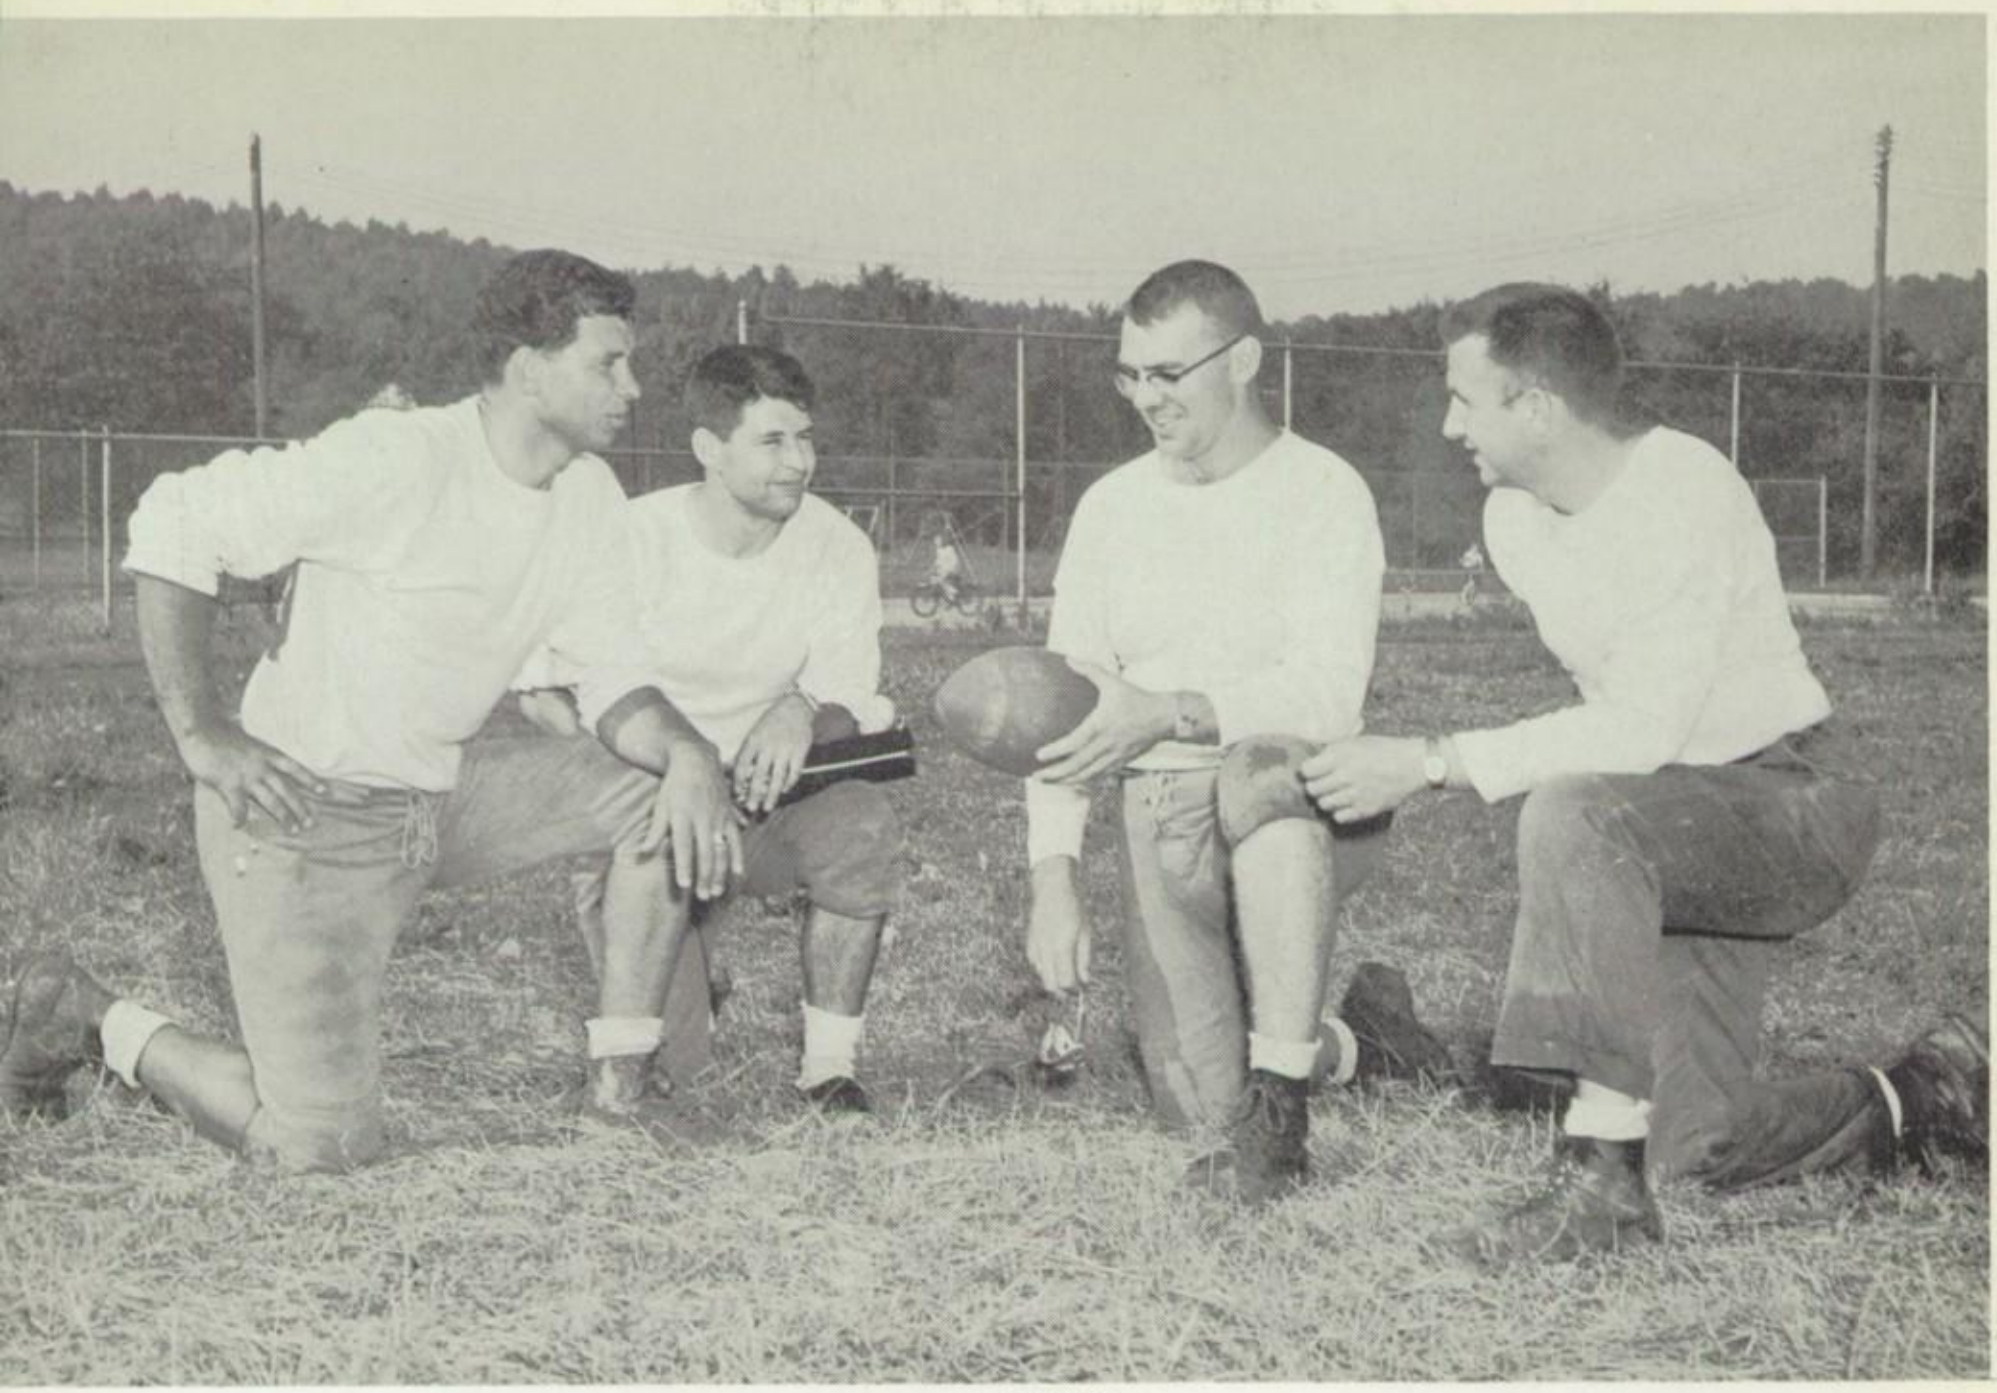
ATHLETICS

CHEERLEADERS

Row 1: S. Keller, S. Phillips, B. Montana. Row 2: B. Scurry, C. Mattern, J. Andre, J. Knooihuizen, M. Canon (not pictured).

Each year the faculty chooses eight Senior High girls to lead the student body cheering section at sports events and pep meetings. The girls start in August to get limbered up for the first football game, and they continue cheering until the last basketball game late in February. These energetic cheerleaders really deserve the letter they receive at the close of the school year for the time and energy they devoted cheering our teams on to victory.



COACHES

Richard Vidunas, David Stewart, Robert Flath, Wayne Eaken.

Four never-tiring coaches are the main rivets in the athletic events at F.H.S. A coach has the job of finding and planning new plays, conducting practices, and putting a team in genuine top condition. No one has more headaches or less fans, when a team is losing, than the coach. A coach also has to be a friend and leader to every boy participating in a sports event. All of our fine young coaches have double or triple coaching jobs plus their regular class room subjects. We now want to give seldom-heard praise to our coaches. "We all think you're great. Thanks for everything!"

The 1956 grid season ended on a high note for the comparatively inexperienced Knights with a victory over Kane. Although winning only two games this year, the Knights displayed a never-say-die attitude, friendly sportsmanship, and great fighting spirit.

We are proudest of all that our athletes and fans adhered to the sportsman's code:

For when the one Great Scorer comes
To write against our name,
He writes not that we won or lost
But how we played the game.

Wrestling is a sport that requires long hours of practice and exercise, the keeping of training rules and often, a diet. It offers each boy a chance to express individualism and to "let off steam." Wrestling is one of the most recent additions to the athletic department in Franklin High, and it is hoped that Franklin will eventually acquire the desired place that it deserves.
